## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 5<sup>th</sup> January, 2022.

### BETWEEN

**Jawahar Education Society's Institute of Technology, Management & Research, Nashik, the First Party** represented herein by its **Principal, Jawahar Education Society's Institute of Technology, Management & Research, Nashik** ( Hereinafter referred as 'First Party')

### AND

**Design & Draft Engineering Institute, Nashik, the Second Party**, and represented herein by its Managing Director, **Mr. Shahebaz Shaikh Yusuf**, (Hereinafter referred to as "Second Party)

### WHEREAS:

- A) First Party is a Higher Educational Institution named:  
**Jawahar Education Society's Institute of Technology Management & Research, Nashik**
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;
- E) **Design & Draft Engineering Institute, Nashik** ,the Second Party is engaged in the field of Building Services, Mechanical, Electrical, and Plumbing Services.
- F) **Design & Draft Engineering Institute, Nashik** the Second Party is promoted by **Mr. Shahebaz Shaikh Yusuf, Nashik**

Now therefore, in consideration of the mutual promises set forth in this MOU, the parties here to agree as follows:

### **1. Aim and Form of Cooperation**

1. Certified Courses for Mechanical Engineering student which help them to enhance their Employability.

List of Course:

- ❖ HVAC; Heating , Ventilation& Air conditioning
- ❖ Electrical Designing and Drafting
- ❖ Fire Fighting system Designing
- ❖ Plumbing Designing and Drafting

2. Use of Advance or latest Industrial Software like Autodesk REVIT MEP and Navisworks.

3. Design of special project given to single or group of student to improve their knowledge and Practical skill.(Group may contain 3-4 members)

4. To allow student for Industrial visit/ Site Visit or Industrial Training Program.

5. To conduct different program like Seminar, Workshop, Soft Skill, Motivational Program, Leadership programme, Team Building Programme etc. so as to groom student to make them ready for industry.

6. After successful completion of certified course, placement will be provided to student as per industrial vacancy or requirement.

### **2. Responsibility of Design & Draft Engineering Institute, Nashik**

1. Institute Provide Faculty with requisite knowledge & experience in teaching the above courses.

2. Institute will provide alternate Faculty of similar specialization, as per requirement.

3. Institute will conduct certification for the students as part of the Training program.

4. Institute will arrange to collect the course fee or any other fee pursuant to this agreement from participating students in advance.

5. Course Fee and duration will be decided by both parties as per student strength. Student Training will be held at the center (Design ad Draft Institute).

### **3. Responsibility of the JESITMR College, Nashik**

1. COLLEGE will register students in course by adequate information to all relevant Engineering Streams.

2. COLLEGE will ensured that all the participating student attend course classes as per schedule

3. COLLEGE would ensure that all students are regular in attendance and irregular student need to drop out/ reschedule in next batch without any reimbursement of fees.

**4. Duration for this agreement:**

The duration of this agreement shall be for lifetime from the date of signing and will be renewed in every three year.

**4. Termination:**

## Appreciation

We are very thankful to **Mr. Shahebaz Shaikh** (Design and Drafting, Nashik) for conducting a valuable seminar on **“Heating, Ventilation and Air-conditioning, Electrical and Building Piping Design”** for our BE Mechanical Engineering Students on 10/10/2022 at 11.00 am in our college campus.

This seminar was definitely informative and will be useful for our students in their professional life in future.

We expect similar support in future as well.
