Dear Ma'am/Sir,

Global Talent Track (GTT) is a worldwide educational initiative and provider of corporate training solutions. GTT has been a pioneer in India's employability enhancement and skill development initiatives driven by technology and digital learning. GTT delivers highly customised, high-impact training programmes focused on delivering business outcomes. GTT training is conceptualised, designed, and delivered by a core team of senior professionals with 25 years or more of experience in senior leadership roles and a large team of 1,000 trainers spread across India.

We are launching an AICTE and ATAL-approved and certified Adobe Express: Digital Creativity Skills Workshop for faculties and educators of all AICTE-approved higher education institutions.

The purpose of this programme is to enhance digital creativity skills using Adobe Express as a part of the curriculum to better equip students with employability skills for future jobs.

The AICTE and ATAL-approved and certified Adobe Express: Digital Creativity Skills Workshop's main feature is:

- It's a browser-based tool that can be used in all Browsers i.e..... (Chrome, Firefox, IE)
- It can also have a Mobile base app
- Everything you do is saved to the cloud.
- You can Collaborate with another team member for the feedback

This workshop will have several benefits for the faculties, such as helping to integrate technology with teaching and orienting them to the institution's objectives and vision. The workshop will also expand faculty roles, help deliver quality education, and improve research skills with quality work.

The workshop will also help faculties understand the power of creativity in the classroom and leverage creativity in the teaching strategy to prepare students with the 21st-century skills they need to succeed. The workshop aims to develop creativity in students across subjects and grades.

The eligibility criteria for this programme are open to all faculty and non-teaching faculty in all streams.

The course duration is only four hours, and the project is to submit a lesson using Adobe Express.

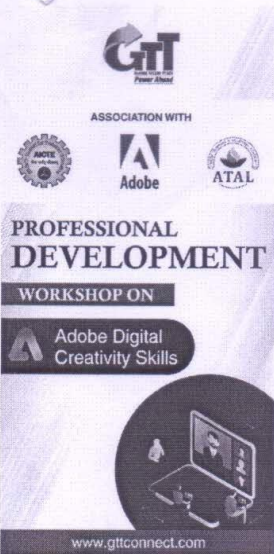

This workshop is totally free.

The workshop is on a first-come, first-served basis and thus also has limited seats.

Registration Link : <https://forms.gle/IB8GSqdxHtFGy5Q6>

Thank you for your time and consideration.

We look forwards to hearing from you soon.

Adobe Express – Program Introduction and Benefits

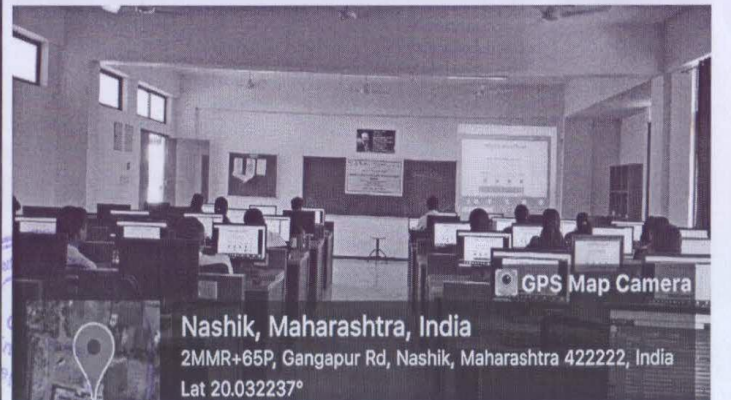

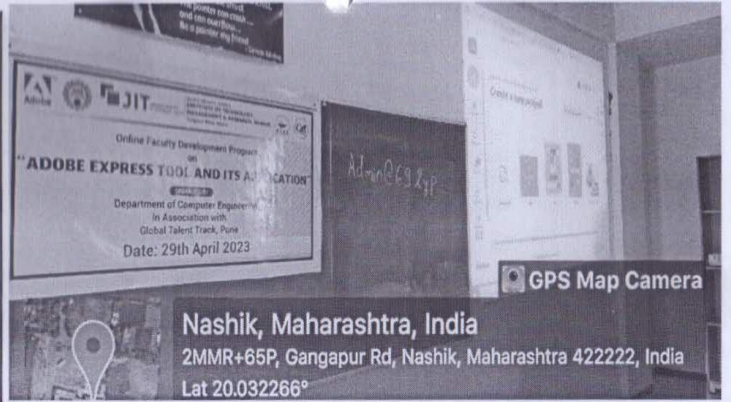

Digital Creativity Skills

Adobe, in partnership with AICTE Training and Learning Academy, introduces a Professional Development program for faculty and educators of all AICTE-approved Higher Education Institutions. This program is aimed to enhance Digital Creativity Skills to use Adobe Express as a part of the curriculum to better equip students with employability skills for future jobs.

Adobe Express for Higher Education enables students and faculties to easily create impactful visual stories such as infographics, web pages, videos, social media posts, and reports, igniting their creativity and learning. When you foster creativity and digital storytelling into the curriculum, students learn how to think critically, solve problems creatively, and express ideas in compelling ways. These skills empower students to succeed both in Higher Education Institutions and in their Careers.

The screenshot shows a Zoom meeting interface with four participants visible in the top bar: Shubham, Garima Babbar, Dr. Radhakrishna Staram, and Pallavi Patgaonkar. The main content area is split into two windows. The left window displays a slide titled "Mrs. Garima Babbar, Head Education and Skills - APAC & India, Adobe". The slide text describes her role in leading education product marketing and Go to Market strategies for APAC, her work with Ministry of Education to integrate Adobe products into the curriculum, and her previous experience at KPMG, Microsoft, and TCS. The right window shows a convocation banner for "ADOBE DIGITAL CREATIVITY SKILLS CONVOCATION". The banner features the Adobe logo, the GATI logo, and portraits of Garima Babbar, Dr. Radhakrishna Staram Pandit (Director of Skill Development, Pune University), and Pallavi Patgaonkar (CEO, Global Talent Track). It also lists associations with Adobe, ATAL, and the Maharashtra Education Society. A blue circular stamp from the Maharashtra Education Society is overlaid on the bottom right of the banner.
