Respected Sir,

We like to request you for your kind permission to organize an expert session on Soft Skills for the Third-year engineering students AI&DS and Computer Engineering of our institution in association with IQAC, JES'ITMR.

The objective of the session is to provide students with valuable insights into various soft skills required for higher Opportunities, including postgraduate programs, scholarships, and preparation strategies.

We kindly request your approval and support in organizing this session.

Thanking You.

Subject: Invitation for an Expert Session on "Soft Skills"

Dear Madam,

We are pleased to invite you to deliver an expert session on "Soft Skills" for our TE Computer and AI&DS engineering students at Jawahar Education Society's Institute of Technology, Management and Research, Nashik (JIT Nashik). This event is organized by AI&DS Engineering department in association with the Internal Quality Assurance Cell (IQAC) and is scheduled for January 27TH, 2025, to January 29th, 2025 at 10:00 am to 12:00pm.

JIT Nashik offers Bachelor's degrees in various engineering disciplines, including Civil, Mechanical, Electrical, Computer, Artificial Intelligence & Data Science, Information Technology, and Electronics & Computer Engineering.

Your insights and experience in the start-up landscape would be invaluable to our students, who are eager to learn about the opportunities and challenges in this dynamic field.

Please let us know if you are available on the proposed date, or other convenient date and time.

Thank you for considering our invitation.

Warm regards,

Appreciation

We are very thankful to **Mr. Rohit Baijnath Prajapati** for conducting a workshop on "**3D Printing** " for our all FE and SE,TE,BE Mechanical Engineering Students on 17/10/2024 in our college campus.

This workshop was definitely informative and will be useful for our students in Academic & professional life in future.

We expect similar support in future as well.

Thanking you,

(Dr. M. V. Bhatkar)

Sub: – Request for Permission to Conduct E-Waste Event

Respected Sir,

We, Mechanical Department, planning to organize e-waste event at JESITMR, Nashik on 23 th Jan. to 24 th Jan. 2025 . We request you to grand a permission to conduct an e-waste event in our institute . The event aims to promote e-waste awareness, collection, and responsible disposal among our students, teachers, and staff. We believe this event will not only contribute to a more sustainable environment but also provide an opportunity for our students to learn about the importance of responsible e-waste management. We will ensure that the event is conducted in a safe and responsible manner, with minimal disruption to the college regular activities.

We would be grateful if you could provide us with the necessary permission to conduct this event. Please let us know if you require any additional information or would like to discuss this further.

Thank you for considering our request.

Yours Sincerely,
Prof.G.B.Patil

Notice

All Staff / Students are hereby inform that as part of our college's initiative to promote sustainability and reduce environmental waste, we are organizing an e-waste collection program in our campus from **23 th Jan. to 24 th Jan. 2025**. E-waste includes electronic devices that are no longer usable or have been discarded, such as old laptops, mobile phones, batteries, printers, and other electronic items. Improper disposal of e-waste can harm the environment and human health. Recycling e-waste helps conserve natural resources, reduces landfill waste, and decreases the risk of toxic substances entering our ecosystem. Purpose of the program, is to promoting e-waste awareness, collection, and responsible disposal.

Note:-Bring your unwanted electronic items to the designate…

Subject: Request for Permission to Conduct **3D Printing Workshop.**

Respected Sir,

I am writing to request permission to conduct a 3D printing workshop for first-year & Mechanical Engineering students. The workshop aims to introduce students to the fundamentals of 3D printing, its applications, and hands-on experience with 3D printing software and equipment.

I believe that this workshop will be a valuable addition to our college's extracurricular activities and will benefit our students greatly. I assure you that the workshop will be conducted in a professional and safe manner.

Please give permission for same.

Appreciation

We are very thankful to **Mr. Rohit Baijnath Prajapati** for conducting a workshop on **"3D Printing"** for our all FE and SE, TE, BE Mechanical Engineering Students on 22/03/2025 in our college campus.

This workshop was definitely informative and will be useful for our students in Academic & professional life in future.

We expect similar support in future as well.

Subject: Request for Permission to Conduct Gas Safety Workshop.

Respected Sir,

I am writing to request permission to conduct a Gas Safety Workshop in Collaboration with Surya Gas Das Safety Equipments Pvt. Ltd. in our college campus on dated 22/03/2025. The workshop aims to educate students and staff about the safe handling, storage, and usage of gases in laboratories and workshops.

Objectives:

- To create awareness about gas safety protocols and procedures

- To educate participants on the safe handling and storage of gas cylinders

- To provide hands-on training on gas safety equipment and emergency response procedures

I believe that this workshop will be beneficial for our students and staff, and I assure you that all necessary safety measures will be taken. I would be grateful if you could grant us permission to conduct the workshop.

Thank you for your time and consideration.

Yours Sincerely,

Mr. Amol A. Patil

Respected sir,

Subject: Request for Permission to Organize 5-Day Language Training Workshop .

Respected Sir,

The Department of Mechanical Engineering plans to organize a 5-day Value-Added Course (Training Workshop) titled **"Language Training: Japanese / German"** for the students of Mechanical Engineering.

This training offers a range of benefits, including enhanced career prospects, access to global markets, and increased cultural understanding. These languages are highly valued in various industries and can open doors to diverse opportunities, particularly in fields such as engineering, technology, and international business.

We kindly request your permission to proceed with the organization of this workshop.

Thank you for your consideration.

Subject: Invitation For an Online Workshop on "Robotics and Automation"

Dear Sir,

We are pleased to invite you to deliver an online workshop on "Robotics and Automation" for our engineering students at Jawahar Education Society's Institute of Technology, Management and Research, Nashik (JIT Nashik). This event is organized by Mechanical Engineering department in association with the Internal Quality Assurance Cell (IQAC) and is scheduled for May,7th, 2025, at 3:00 p.m.

JIT Nashik offers Bachelor's degrees in various engineering disciplines, including Civil, Mechanical, Electrical, Computer, Artificial Intelligence & Data Science, Information Technology, and Electronics & Computer Engineering.

Your insights and experience in the startup landscape would be invaluable to our students, who are eager to learn about the opportunities and challenges in this dynamic field.

Please let us know if you are available on the proposed date, or other convenient date and time.

Thank you for considering our invitation.

Warm regards,

Letter of Appreciation

To,

Mr.Santosh Binor

MD of Visionary Technologies Satpur Nashik

Dear Sir,

I would like to appreciate you for successfully conduction of Seminar on "Career Opportunities in Industrial Automation" on 22nd Aug.2024. This Session was the most interesting and inspiring to all participants and helpful to understand the nature of automation and its impact on their well- being and how to over come with it by maintaining activity in industrial automation .

I appreciate your contributions towards conducting this session.

I look forward to more such initiatives by you in future also.

Event Report on

"Industrial Automation Training on PLC, SCADA & HMI "

Event Title & Topic	Training on " Industrial Automation Training on PLC, SCADA & HMI" (Online Mode)
Event Day & Date	26/08/2024 to 31/08/2024. Monday to Saturday.
Event Time & Duration	5 Days
Resource Person Name & Designation	Mr. Sandesh Rayate Assistant Program Manager, Govind Nagar Nashik.
Agency/Organization of resource person	Infinity Automation Institute Nashik.
Year of student participated	TE Electrical Engineering Students.
Name of staff coordinator	Mrs. Swati.A.Thete(HOD),Mrs-Jaya G.Wagh
Name of Department who conducted event	Electrical Engineering Department
Objective of Event	PLCs are hardware devices used to automate specific processes and control machinery through programmed instructions. SCADA systems provide real-time monitoring and remote control of industrial processes, collecting data from sensors and managing operations across large geographic areas.
Outcomes of Event	Thanks to the progression of industrial automation, systems like SCADA and components like PLCs and HMIs were put together to increase productivity, boost convenience, and improve safety against hazardous conditions.

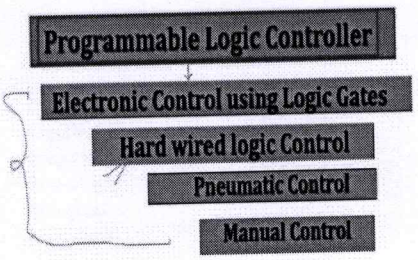

WHAT IS THE AUTOMATION?

The Automation is basically the delegation of human Control function to technical equipment for,

- Increasing Productivity
- Increasing Quality
- Reducing Cost
- Increasing Safety in working conditions

HISTORY OF AUTOMATION

Programmable Logic Controllers

Applications :

Machine controls, Packaging, Material handling, similar Sequential task as well as Process control

Advantages of PLC :

- They are fast and designed for the rugged industrial environment.
- They are cheaper.
- These Devices are less Proprietary (E.g., Using Open Bus Interface.)
- These Systems are upgraded more Capabilities with dedicated PID and dedicated Communication Modules.

Disadvantages of PLC :

- PLC one time cost is high
- To maximize PLC performance, a number of I/O Modules to be added.
- PLC holds only one copy of program.

FUNCTION OF OUTPUT MODULE

- Transfer of data - CPU to O/p device
- Conversion - 5vdc to24vdc/230vac
- Isolation - By Opto-coupler

Respected sir,

I am writing to request a training session on "Advanced Residential Wiring" for a batch of 22 students from third year Electrical Engg. class from our institution, Jawahar Education Society's Institute of Technology, Management & Research, Nashik. We are highly interested in partnering with the Bosch Artisan Training Center to provide our students with practical and hands-on experience in this important field.

We would like to propose a training schedule of 5 days, from 9:00 AM to 5:00 PM, at your facility as per telephonic discussion in the month of first week of October 2024. We believe that this program will be immensely beneficial to our students and will help them gain deeper insights into advanced wiring techniques that are crucial for residential projects.

Could you kindly confirm the availability of this program and provide us with any further details regarding the registration process, and any other necessary information?

Thank you for considering our request. We look forward to your positive response and the opportunity to collaborate with Bosch Artisan Training Center for this important educational initiative.

Warm regards,

Mrs. Swati A. Thete

Dear Madam,

Greeting of the day!

Hope so you are doing well!

Our **Bosch ARTISAN TRAINING CENTER, Nashik** is established in 2017. The aims of this training center is to contribute to enriching and improving the lives of those in need. We can contribute the most when we do what we know best. Our two areas of competence are vocational training and technology. We, therefore, focus on using these as tools to enable lives and livelihood, to create sustainable improvement.

Our Vision: Enabling Lives and Livelihood through Education and Technology

Our Mission: How we intend to achieve the mission: Like a spark that ignites an engine, the foundation aims to empower individuals to create an impact that will help communities stand on their own feet, through employability training and techno-solutions.

This training Center have Strategic Goals and Objectives like

1) Provide Employability Training and Techno-Solutions through Partners.

2) Help communities stand on their own feet: The long term objective of the foundation's work is to make disadvantaged communities self-sustaining. The foundation does this by mobilizing, consolidating and redeploying resources. Hence projects are evaluated for their long term impact.

3) Empower individuals to create an impact.

We also provide short-term training to students. Till the date up to 2500+ students are trained from this training center and they are working in the different industries.

Dear Sir,

We are pleased to invite you to provide an training on "**Advance Residential Wiring**" for our engineering students at Jawahar Education Society's Institute of Technology, Management and Research, Nashik (JIT Nashik). This training is organized by Electrical Engineering department in association with the Internal Quality Assurance Cell (IQAC) during 30/09/2024 to 04/10/2024 from 9:00 a.m. to 04 p.m.

JIT Nashik offers Bachelor's degrees in various engineering disciplines, including Civil, Mechanical, Electrical, Computer, Artificial Intelligence & Data Science, Information Technology, and Electronics & Computer Engineering.

Your insights and experience for the training on "**Advance Residential Wiring** would be invaluable to our students, who are eager to learn about the opportunities and challenges in this field.

Please let us know if you are available on the proposed date, or other convenient date and time.

Thank you for considering our invitation.

Dear Sir,

We would like to take this opportunity to express our heartfelt gratitude for accepting our invitation to provide hands on training "**Advance Residential Wiring**" organized by Electrical Engineering department in association with the Internal Quality Assurance Cell (IQAC) at Jawahar Education Society's Institute of Technology, Management and Research, Nashik, on 30/09/2024 to 04/10/2024.

Your insights and expertise greatly enriched the training sessions with valuable knowledge and inspiration about the Residential Wiring. We appreciate the time and effort you dedicated to this training and your willingness to share your experiences with students.

Thank you once again for contributing to our students' learning journey. We look forward to the possibility of collaborating with you in the future.

Subject: Invitation for an Expert Talk on "Awareness of the Startup Ecosystem"

Dear Sir,

We are pleased to invite you to deliver an expert talk on "Awareness of the Startup Ecosystem" for our engineering students at Jawahar Education Society's Institute of Technology, Management and Research, Nashik (JIT Nashik). This event is organized by Electrical Engineering Department in association with Internal Quality Assurance Cell (IQAC) and is scheduled for October 1st, 2024, at 1:00 p.m.

JIT Nashik offers Bachelor's degrees in various engineering disciplines, including Civil, Mechanical, Electrical, Computer, Artificial Intelligence & Data Science, Information Technology, and Electronics & Computer Engineering.

Your insights and experience in the start-up landscape would be invaluable to our students, who are eager to learn about the opportunities and challenges in this dynamic field.

Please let us know if you are available on the proposed date, or other convenient date and time.

Thank you for considering our invitation.

Expert Talk on "Building Information Modelling (BIM) for Civil Engineers"

Date: - 21st August 2024

Time: - 10:00 am to 12:00 noon.

Academic Year : 2024-25

Jawahar Education Society's,
INSTITUTE OF TECHNOLOGY, MANAGEMENT & RESEARCH, NASHIK.

Date: - 13/08/2024

To,
The Principal,
Jawahar Education Society's,
Institute of Technology, Management and Research,
Nashik.

Subject: - Permission regarding conduction of Expert Talk on **"Building Information Modelling (BIM) for Civil Engineers"**

Respected Sir,

We are writing this letter to request permission to organize an expert talk for SE, TE and BE Civil Engineering Students of our college.

Details of the proposed expert talk are as follows:

- **Topic : Building Information Modelling (BIM) for Civil Engineers**
- **Date : Wednesday, 21st August 2024**
- **Duration : 10:00 am to 12:00 noon**
- **Mode : Online**

As you may be aware, BIM is a rapidly growing technology in the field of construction and infrastructure development, and it has become essential for civil engineers to have knowledge of this technology to stay competitive in the industry. The expert talk will cover the basics of BIM, its applications, benefits, and challenges, as well as provide hands-on experience with BIM software. This will not only enhance the students' knowledge but also provide them with practical skills that can be applied in their future careers.

We believe that this expert talk will greatly benefit our students and enhance their learning experience. We would be grateful if you could consider our request and provide the necessary permission and support to organize this event.

Thanking You.

Event Report

• **Day and Date**	:-	**Wednesday, 21st August 2024** from **10:00 am to 12:00 noon**
• **Name Event**	:-	Expert talk on **"Building Information Modelling (BIM) for Civil Engineers"**
• **Organized by**	:-	Department of Civil Engineering, Jawahar Education Society's, Institute of Technology, Management & Research, Nashik.
• **Coordinator**	:-	Mr. S. L. Desale, Assistant Professor, Civil Engineering Department.
• **Invited Guest**	:-	**Mr. Sameer Latkar, IFS Academy, Pune.**
• **Mode**	:-	Online
• **Participants**	:-	SE, TE and BE Civil Engineering Students

- **Objective of the Event**:-

  Expert Talk on **"Building Information Modelling (BIM) for Civil Engineers"** was organized on **Wednesday, 21st August 2024** from **10:00 am to 12:00 noon** to increase the awareness regarding Building Information Modelling (BIM) for SE, TE and BE Civil Engineering students of Jawahar Education Society's, Institute of Technology, Management & Research, Nashik. The event aimed to educate civil engineering students about the latest trends and applications of BIM in the construction industry. The speaker, **Mr. Sameer Latkar** is a renowned expert in the field of BIM and has extensive experience in implementing BIM in various construction projects.

- **Outcome of the Event**: -

  1. **Introduction to BIM:** The speaker introduced the concept of BIM, its history, and its applications in the construction industry.

Civil Engineering Department

2. **Benefits of BIM:** The speaker highlighted the benefits of using BIM, including improved collaboration, increased accuracy, and reduced costs.
3. **BIM Software:** The speaker demonstrated the use of popular BIM software, such as Autodesk Revit and Navisworks.
4. **Real-world Applications:** The speaker shared real-world examples of BIM implementation in construction projects, including case studies and success stories.
5. **Future of BIM:** The speaker discussed the future of BIM, including emerging trends and technologies.

- **Feedback from Attendees:**

The attendees, comprising civil engineering students and faculty members, found the talk informative and engaging. They appreciated the speaker's expertise and the practical examples shared during the talk. The feedback was overwhelmingly positive, with many attendees requesting more such events in the future.

- **Conclusion:**

The expert talk on **"Building Information Modelling (BIM) for Civil Engineers"** was a resounding success. It provided valuable insights into the latest trends and applications of BIM in the construction industry. We hope to organize more such events in the future to enhance the learning experience of our students.

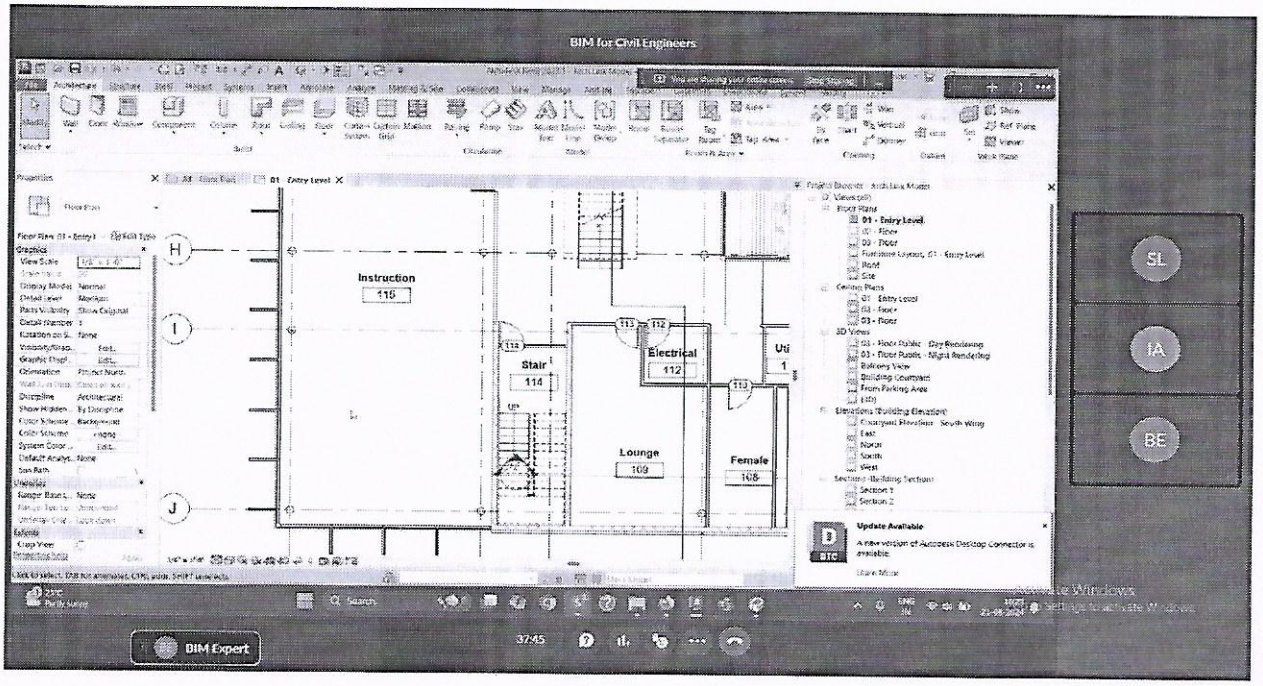

- **Recommendations:**

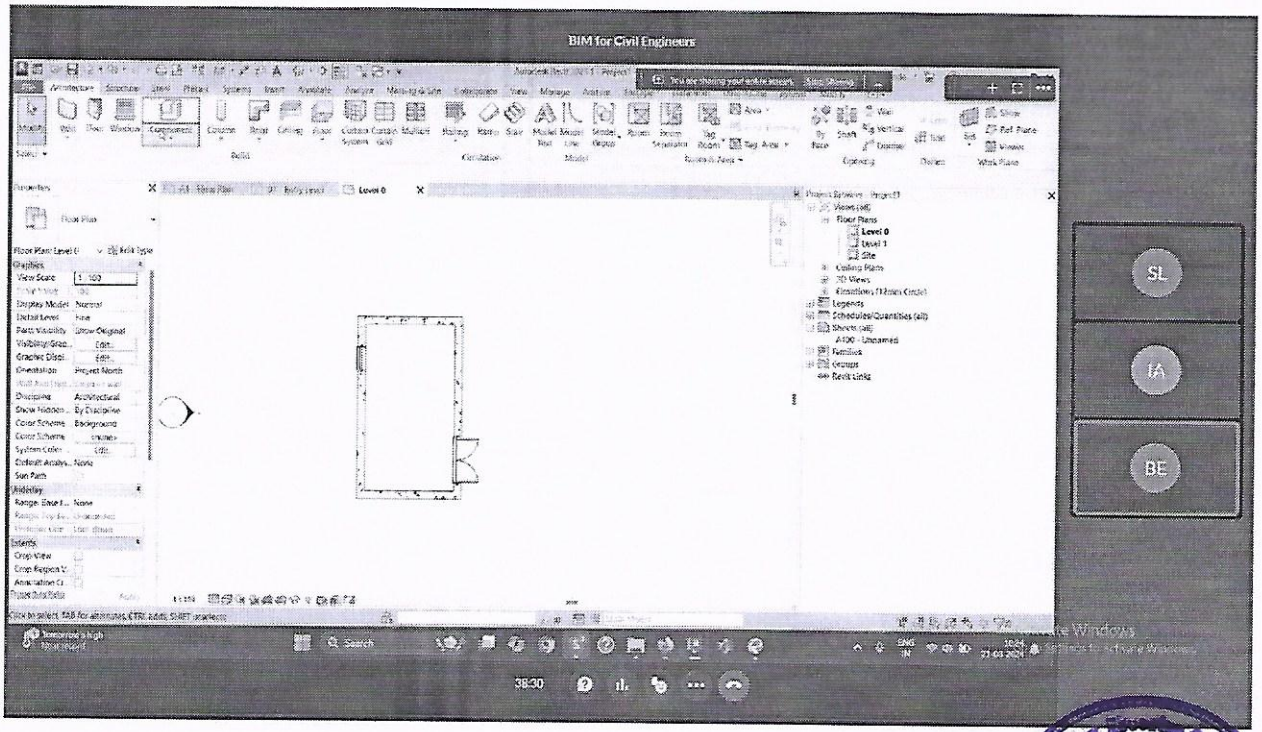

1. Conduct more expert talks on emerging technologies in the construction industry.
2. Invite industry experts to share their experiences and knowledge with students.

Event Report

• **Day and Date**	:-	**Thursday, 10th October 2024 from 11:00 am to 01:00 pm**
• **Name Event**	:-	**"Expert Talk on GATE Exam Preparation and Career Guidance"**
• **Organized by**	:-	Department of Civil Engineering, Jawahar Education Society's, Institute of Technology, Management & Research, Nashik.
• **Coordinator**	:-	Mr. K. K. Shirsath, Assistant Professor, Civil Engineering Department.
• **Invited Guest**	:-	**Mr. Ganesh K. Mali, Apex Academy, Nashik**
• **Participants**	:-	19 (SE, TE and BE Civil Engineering Students)

- **Objective of the Event:-**

  An **"Expert Talk on GATE Exam Preparation and Career Guidance"** was organized to impart knowledge and skills to students of SE, TE and BE Civil and faculty members of Department of Civil Engineering of Jawahar Education Society's, Institute of Technology, Management & Research, Nashik. The objective of the expert talk was to create awareness among engineering students about the importance of the Graduate Aptitude Test in Engineering (GATE), its role in higher education, and career opportunities in PSUs and research organizations. The session aimed to motivate students to plan their preparation strategically and understand the examination structure and career pathways.

- **Key Highlights of the Session: -**

  1. The expert explained the **GATE exam pattern**, marking scheme, and recent changes.
  2. Detailed discussion on **topic-wise preparation**, weightage analysis, and important concepts to focus on.

Civil Engineering Department

3. Demonstration of **problem-solving techniques**, previous year question analysis, and mock test strategies.
4. Guidance on **creating a realistic study timetable** and balancing academic workload with GATE preparation.
5. Insights into **admission processes** for IITs, NITs, IISc, and overseas universities through GATE score.
6. Information on **career opportunities in Public Sector Undertakings (PSUs)** such as ONGC, HPCL, NTPC, PGCIL, BHEL, etc.
7. Awareness about research careers, fellowships, and opportunities in government organizations like DRDO, ISRO, BARC, CSIR Labs.
8. Interactive Q&A session where students asked queries related to preparation challenges and career selection.

- **Key Highlights of the Session: -**

1. Students gained a clear understanding of GATE exam requirements.
2. Increased motivation toward competitive exam preparation.
3. Students learned effective study techniques and resource planning.
4. Enhanced awareness of higher education and PSU career opportunities.
5. Improved clarity on subject selection and time management.

- **The expert talk mapping with following PO's:-**

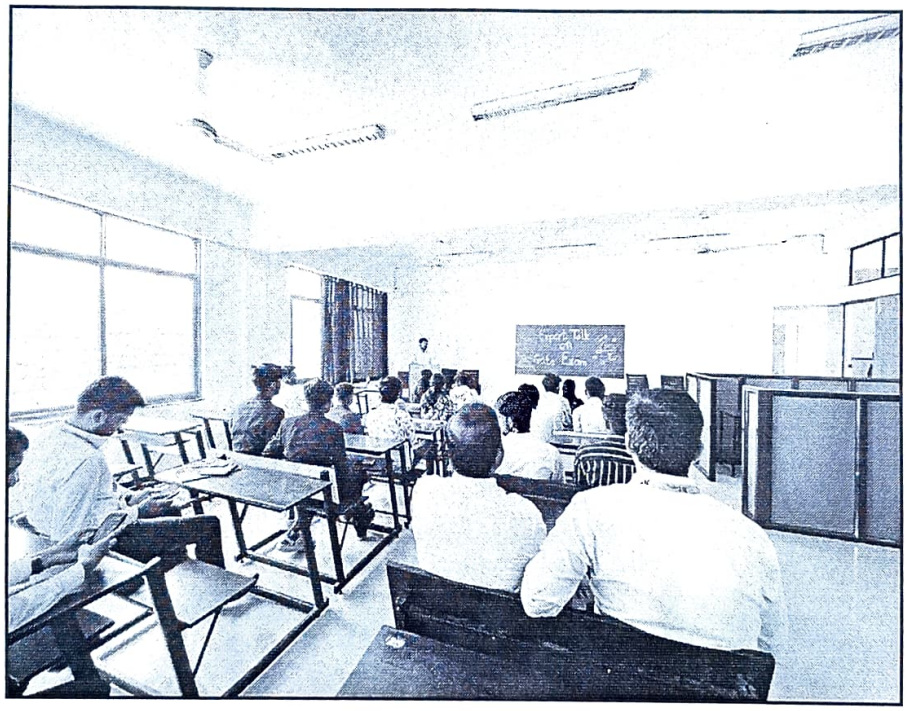

1. **PO1 – Engineering Knowledge: -** The session enhanced students' understanding of core engineering concepts relevant to GATE syllabus and problem-solving techniques.
2. **PO2 – Problem Analysis: -** By discussing previous year GATE questions and analytical methods, students improved their ability to identify, formulate, and analyze engineering problems.
3. **PO12 – Life-long Learning: -** The session motivated students to adopt continuous learning practices essential for competitive exams and professional growth.

Jawahar Education Society's Institute of Technology, Management and Research, Nashik
Civil Engineering Department

- **Conclusion:**

The Expert Talk on **"GATE Exam Preparation and Career Guidance"** proved to be insightful and highly beneficial for engineering students. The department plans to organize similar expert talks and training sessions in the future to support students' professional development and competitive exam readiness.

Respected Sir,

Jawahar Education Society's, Institute of Technology, Management and Research, Nashik is providing Bachelor's Degree in Engineering viz. Civil, Mechanical, Electrical, Electronics and Computer, Computer, Information Technology and Artificial Intelligence & Data Science. Hereby, Civil Engineering Department has planned to organize One Day Workshop on **"Design of Pipe Rack Structure on PIP Standards"** for SE, TE and BE Civil Engineering Students.

We would like to invite you as an expert to conduct on **Thursday, 16th January 2025** from **10:00 am to 4:00 pm.**

Thanking You.

Event Report

• **Day and Date**	:-	**Thursday, 16th January 2025** from **10:00 am** to **04:00 pm**
• **Name Event**	:-	One Day Workshop on **"Design of Pipe Rack Structure on PIP Standards"**
• **Organized by**	:-	Department of Civil Engineering, Jawahar Education Society's, Institute of Technology, Management & Research, Nashik.
• **Coordinator**	:-	Mr. S. L. Desale, Assistant Professor, Civil Engineering Department.
• **Invited Guest**	:-	**Mr. Deepak Shelar, DSTI Global, Mumbai.**
• **Participants**	:-	19 (SE, TE and BE Civil Engineering Students)

- **Objective of the Event:-**

A one day workshop on **"Design of Pipe Rack Structure on PIP Standards"** was organized to impart knowledge and skills to students of SE, TE and BE Civil and faculty members of Department of Civil Engineering of Jawahar Education Society's, Institute of Technology, Management & Research, Nashik on the design of pipe rack structures as per Process Industry Practices (PIP) standards. The objective of the workshop was to provide hands-on training and knowledge sharing on the latest design standards and best practices in pipe rack structure design. The speaker, **Mr. Deepak Shelar** is a renowned expert in the field of oil and gas industries.

- **Introduction :-**

Pipe racks are elevated steel or concrete structures designed to support pipes, electrical and instrument cable trays. Sometimes it supports mechanical equipment, vessels, and valve access platforms also. The pipe rack supports all main process lines that connect equipment such as pumps, storage tanks, static vessels, and columns. It also connects

Jawahar Education Society's Civil Engineering Department Institute of Technology, Management and Research, Nashik

various relief and blow down headers. All lines leaving and entering the plant, utility supplying lines such as steam, air, cooling water, inert gas, etc., are routed through a pipeline corridor.

- **Outcome of the Event: -**

1. **Introduction to PIP standards:** Overview of PIP standards and their application in pipe rack structure design.
2. **Design of pipe rack structures:** Detailed design procedures, including load calculations, structural analysis, and material selection.
3. **Case studies and group discussions:** Real-life case studies and group discussions to reinforce learning and share experiences.

- **The workshop mapping with following PO's:-**

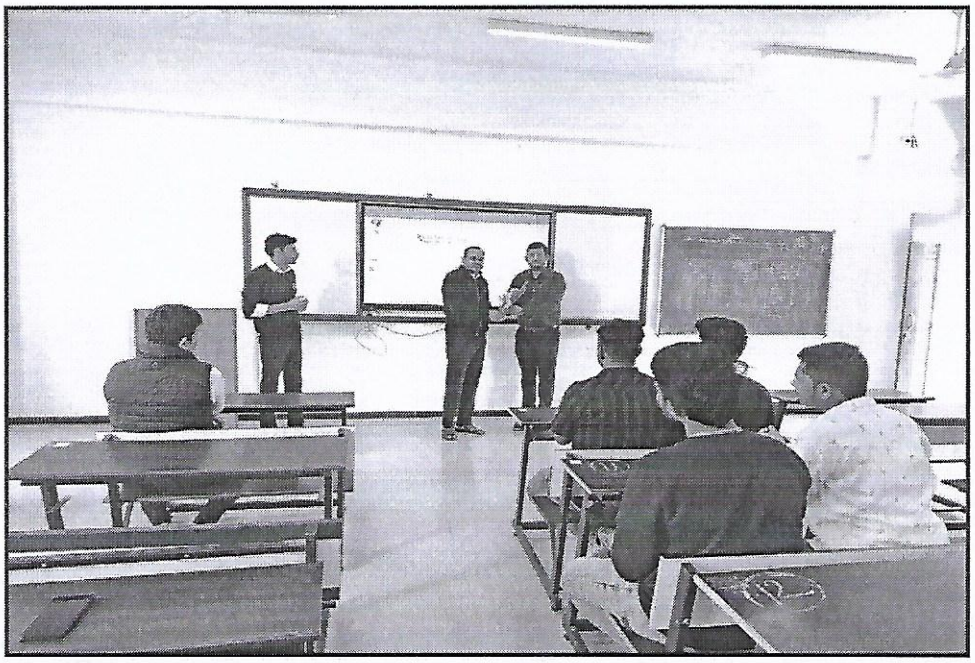

1. **Engineering knowledge:** Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems.
2. **Problem Analysis:** Identify, formulate, review research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.
3. **Design/development of solutions:** Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations.

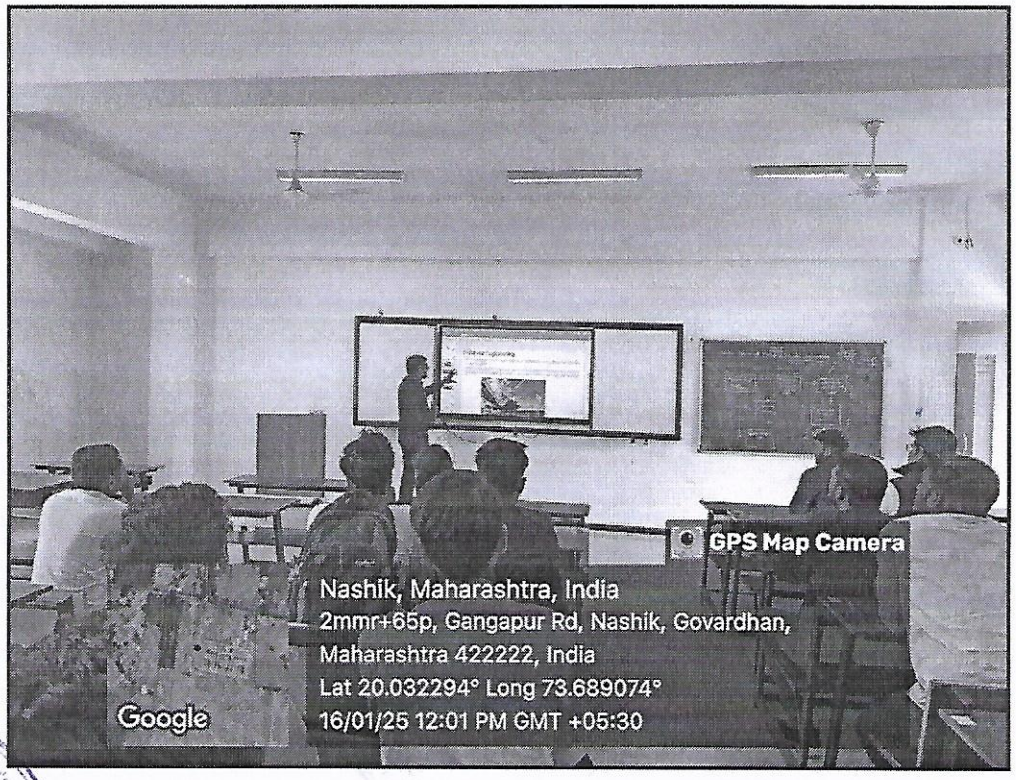

- **Conclusion:**

The one-day workshop on **"Design of Pipe Rack Structure on PIP Standards"** achieved its objective of imparting knowledge and skills to the participants. The workshop's success was evident from the enthusiastic participation and positive feedback received.

- **Introduction :-**

A **"One Day Workshop on Total Station"** was organized to impart knowledge and skills to students of SE, TE and BE Civil and faculty members of Department of Civil Engineering of Jawahar Education Society's, Institute of Technology, Management & Research, Nashik aimed to provide students and faculty with practical knowledge and hands-on experience in operating and utilizing Total Station instruments, which are essential tools in modern surveying and civil engineering practices. The speaker, **Mr. I. J. Bathe** is a renowned expert in the field of surveying.

The primary objectives of the workshop were:

a) To introduce participants to the fundamental principles and components of a Total Station.

b) To provide hands-on training on the setup, operation, and data collection procedures using a Total Station.

c) To demonstrate various applications of Total Station in civil engineering, land surveying, urban planning, and other relevant fields.

d) To enhance the practical skills of students, faculty, and industry professionals in using advanced surveying equipment.

e) To foster a deeper understanding of data processing and analysis techniques associated with Total Station measurements.

- **Workshop Content and Sessions**

The workshop was structured to offer a balanced mix of theoretical instruction and practical demonstrations, ensuring an engaging and informative experience for all participants.

- **Session 1: Introduction to Total Station and Basic Principles**

a) Overview of traditional surveying methods vs. Total Station.

b) Components of a Total Station (Telescope, EDM, Microprocessor, Keyboard).

c) Working principles: angle measurement, distance measurement, and coordinate calculations.

d) Types of Total Stations

- **Session 2: Total Station Setup and Operation**
  a) Site reconnaissance and safety considerations.
  b) Setting up the Total Station: centering, leveling, and orientation.
  c) Instrument calibration checks.
  d) Basic data entry and project setup.
- **Session 3: Data Collection Techniques and Hands on Experience**
  a) Measuring angles and distances to points.
  b) Setting out points (stakeout).
  c) Traverse surveying and coordinate system establishment.
  d) Topographic surveying for contour mapping.
  e) Volume calculations and area measurements.

- **Outcomes of the Workshop:-**

The workshop proved to be highly beneficial for all attendees:

a) **Enhanced Practical Skills:** Participants gained practical experience in operating a Total Station, a skill highly valued in the industry.

b) **Comprehensive Knowledge:** They acquired a deep understanding of the theoretical concepts and practical applications of Total Station technology.

c) **Industry Relevance:** The workshop provided insights into current industry practices and the role of advanced surveying equipment.

d) **Networking Opportunities:** It facilitated interaction among students, academics, and industry professionals, fostering potential collaborations.

e) **Increased Employability:** For students, the practical skills acquired are directly applicable to careers in civil engineering, construction, and surveying.

Jawahar Education Society's Institute of Technology, Management & Research, Nashik
Civil Engineering Department

- **Conclusion**

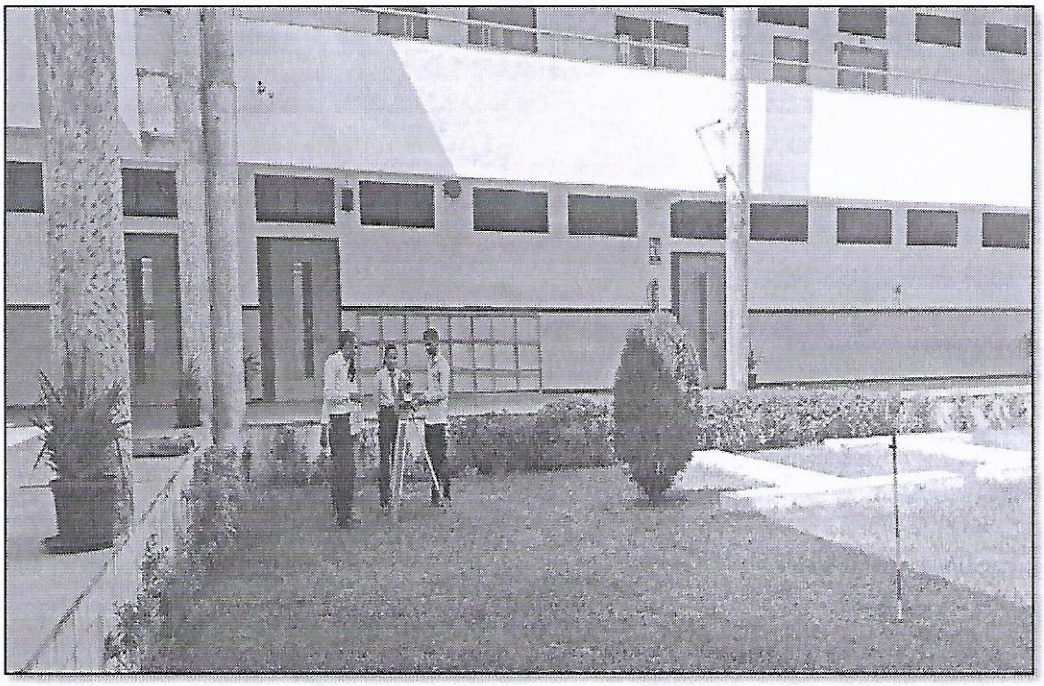

The **"One Day Workshop on Total Station"** was a resounding success, achieving its objectives of educating and empowering participants with essential skills in modern surveying. The positive feedback received from attendees highlighted the value of practical, hands-on training in specialized fields. Such workshops are crucial for preparing the next generation of engineers and surveyors to meet the demands of an evolving technological landscape, ensuring precision, efficiency, and accuracy in their professional endeavors. The organizing committee extends its gratitude to the resource persons, participants, and all supporting staff for their contributions to making this event a memorable and impactful learning experience.

Subject: - Permission for conducting **Expert Talk on "Analytical Thinking and Critical Thinking"**

Respected Sir,

We are writing this letter to request permission to organize expert talk for all students of department of civil engineering.

Details of the proposed expert talk are as follows:

- **Topic : Expert Talk on "Analytical Thinking and Critical Thinking"**
- **Date :** Friday, 28/03/2025
- **Duration :** 11:00 am to 12:30 pm.

The objective of this expert talk is to enhance the students' problem-solving abilities, decision-making skills, and overall intellectual engagement by introducing them to structured methods of analysis and critical evaluation. These skills are vital in academic success as well as in their professional and personal lives.

We request your permission to conduct this expert talk.

Summary of the Talk:

The expert talks covering the following crucial aspects:

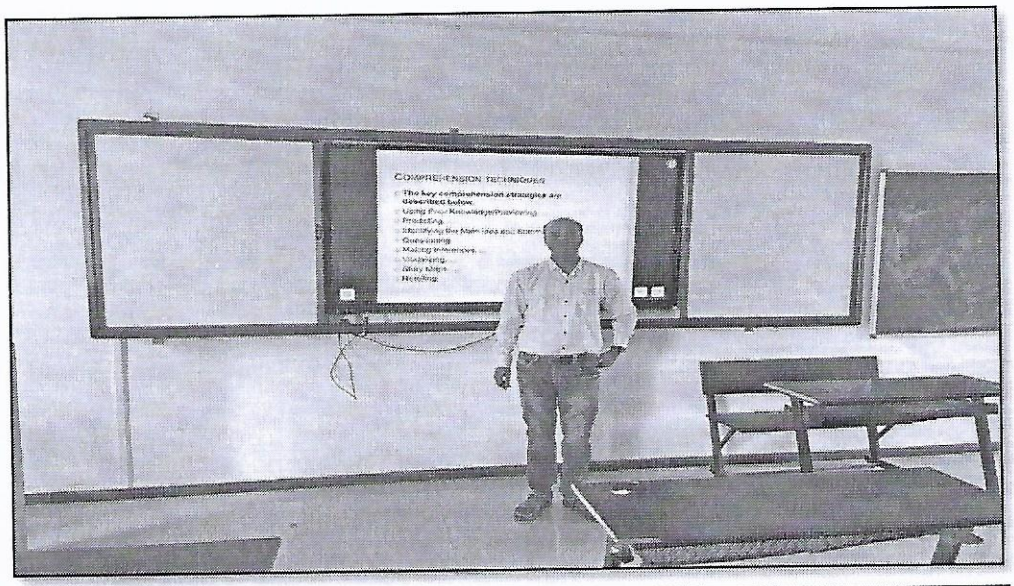

- **Understanding Analytical Thinking:** The speaker elaborated on analytical thinking as the ability to break down complex information into smaller parts to understand its components and relationships. He provided examples from problem-solving in engineering to illustrate its application.
- **Fundamentals of Critical Thinking:** The session clearly distinguished critical thinking as the process of evaluating information, arguments, and situations to form reasoned judgments. Key elements such as questioning assumptions, identifying biases, evaluating evidence, and considering multiple perspectives were discussed in detail.
- **Practical Strategies for Skill Development:** The expert shared actionable techniques that participants could adopt, including:
    a) The "5 Whys" technique for root causes analysis.
    b) SWOT analysis for strategic evaluation.
    c) Methods for active listening and asking probing questions.
- **Importance in Career and Life:** The talk underscored how analytical and critical thinking are highly valued by employers across all sectors, crucial for innovation, problem-solving, and leadership. It also touched upon their significance in personal growth and responsible citizenship.

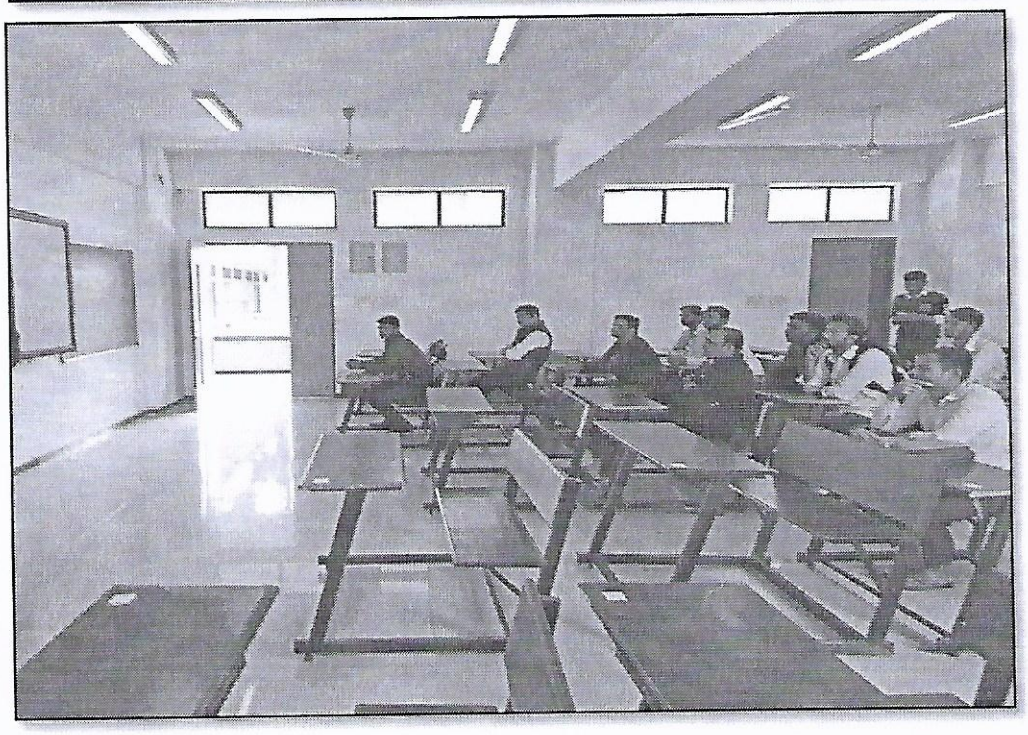

Conclusion:

The expert talk was highly informative and well-received by the audience. Participants expressed that the session provided them with a clear understanding of analytical and critical thinking and equipped them with practical frameworks to improve these essential skills. The talk successfully motivated students to adopt a more inquisitive and evidence-based approach in their academic work and future professional endeavors.

The expert began the session by explaining the fundamental principles of research ethics, which include honesty, integrity, accountability, and respect for intellectual property.

✓ **Key topics discussed :**

a. Importance of ethical behavior in research.

b. Guidelines to avoid plagiarism, data fabrication, and falsification.

c. Roles of Institutional Ethics Committees (IEC), IRB approvals, and informed consent in human subject research.

d. Case studies of ethical misconduct and their impact on academic reputation.

e. Role of researchers in maintaining public trust and scientific rigor.

f. Good practices in authorship, peer review, conflict of interest disclosure, and data protection.

The speaker also discussed the UGC guidelines on academic integrity, emphasizing the responsibility of institutions and faculty in fostering ethical research culture.

- **Interactive Session:**

A vibrant Q&A session followed where participants raised thoughtful questions about handling ethical dilemmas, using AI tools responsibly in research, and navigating collaborative research ethics.

- **Outcomes of the Event:**

a. Increased awareness among participants about ethical issues in research.

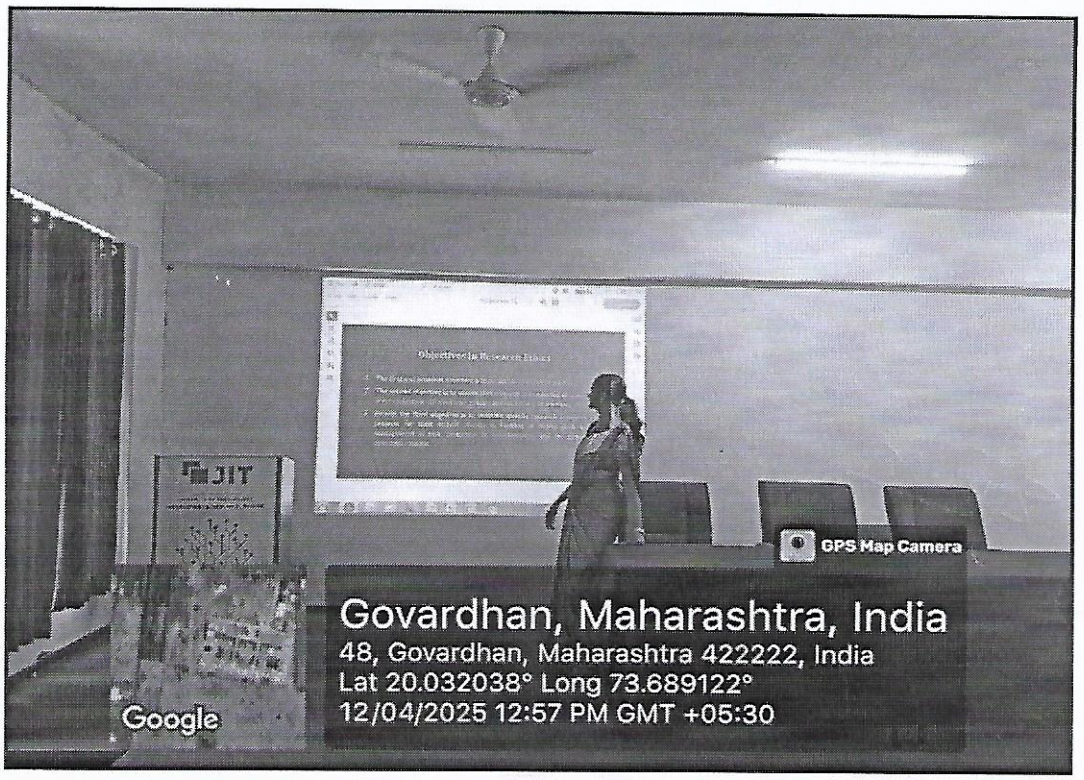

b. Participants understood how to avoid unethical practices and ensure compliance with institutional and national standards.

c. Reinforcement of a culture of academic honesty and research responsibility within the institution.

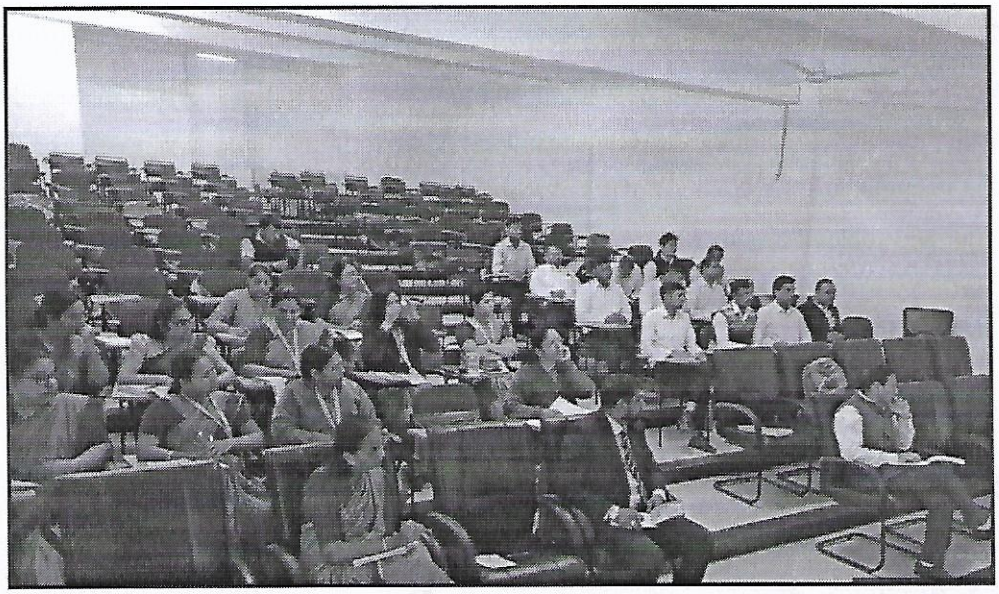

- **Conclusion:**

The Expert Talk on "Ethics in Research" was a successful initiative that enriched the participants' understanding of the ethical framework required in academic and scientific research. It emphasized the need to uphold integrity and accountability to ensure quality, credibility, and societal impact of research.

Summary of the Talk:

An expert talk on "Sustainable Development" was successfully organized by Department of Civil Engineering on **Tuesday, 22nd April 2025** from **11:30 am** to **12:30 pm** on account of **World Earth Day**. The event aimed to enlighten attendees on the critical aspects of sustainable development, its global significance, and actionable steps towards achieving a more sustainable future.

The expert talks covering the following crucial aspects:

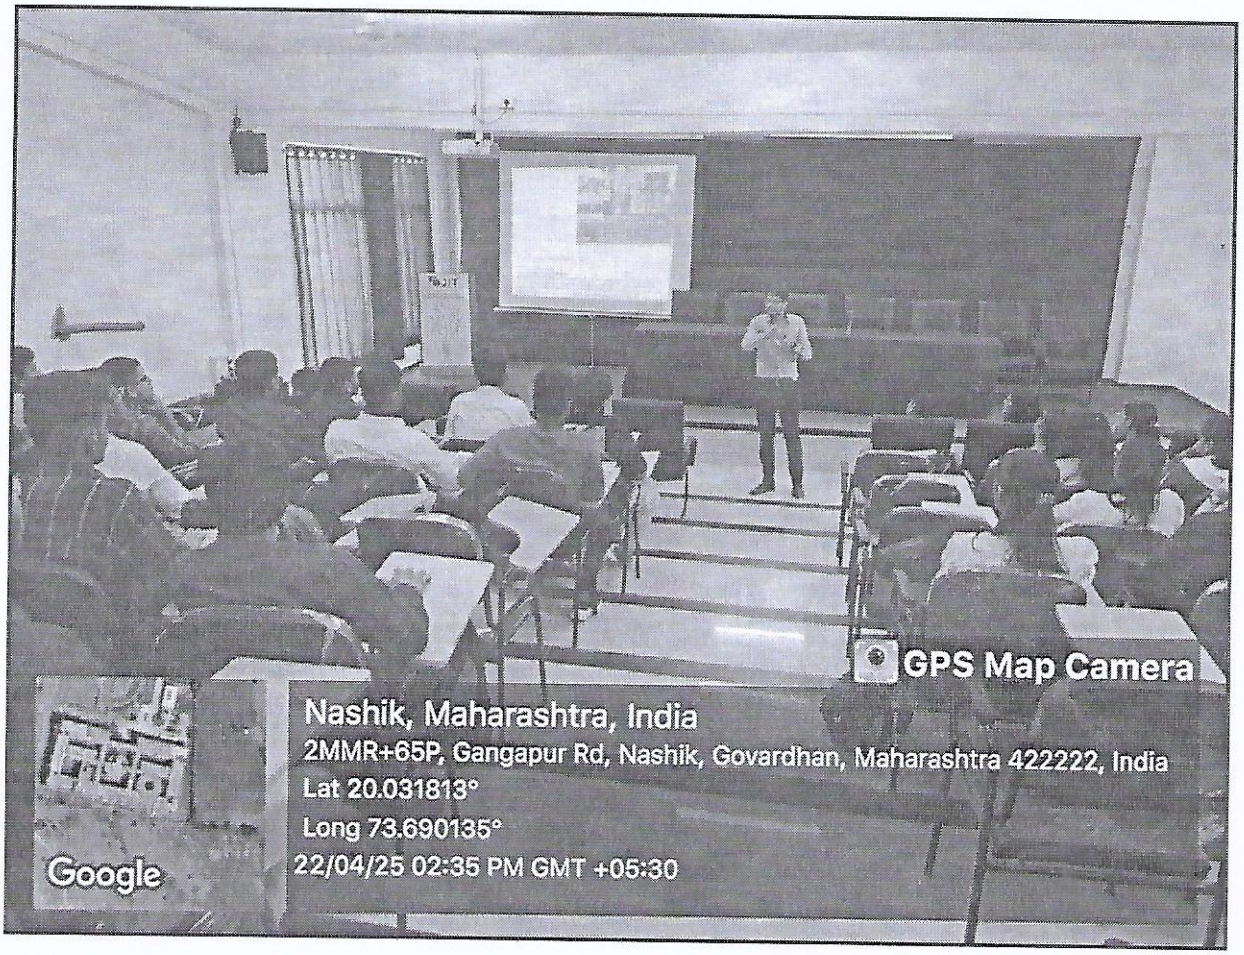

- **The foundational principles of sustainable development:** Dr. H. A. Shahane elaborated on the interconnectedness of environmental protection, social equity, and economic viability.
- **Global challenges and the need for sustainability:** Discussions covered pressing issues such as climate change, resource depletion, biodiversity loss, poverty, and inequality, emphasizing how sustainable development offers solutions to these challenges.
- **Deep dive into relevant SDGs:** Dr. H. A. Shahane focused on Affordable and Clean Energy illustrating their targets and interlinkages with practical examples.
- **Role of individuals and institutions:** The speaker emphasized the collective responsibility in driving sustainable change, encouraging attendees to consider their individual and organizational contributions.

Conclusion:

The expert talk on "Sustainable Development" was a highly informative and inspiring event that successfully met its objectives. Dr. H. A. Shahane expertise and engaging delivery left a lasting impact on the audience, fostering a greater awareness and commitment towards building a sustainable future.

Report on One Week Workshop on "C++ Foundation Course"

Event Title & Topic	One Week Workshop on **"C++ Foundation Course"**
Event Day & Date	Thursday, 24th June to 28th June 2024
Event Time & Duration	10.00 A.M. Onwards, One week
Resource Person Name & Designation	Mr. S. B. Patil **Head, Department of Information Technology**
Agency/Organization of resource person	JESITMR, Nashik
Participants	All the students of second year & third year of Information Technology, Jawahar Education Society's, Institute of Technology, Management and Research, Nashik
Name of staff coordinator	Ms. D. D. Survase
Name of Department who conducted Event	Department of Information Technology
Summary of Programme	**Mr. S.B. Patil, Head, Dept. of IT** delivered a workshop on C++ which contains so many important topics like History of C++, Facts, Features of C++, Comparison between C and C++, Object Oriented Programming, Classes and Objects, Software Development Process and many more which will helps to develop their programming skills
Objective of Programme	To understand concept of "C++" by considering following points: • To create awareness and educate students about Programming • To learn the basics of programming so that students can easily develop the program
Outcomes of Programme	**PO1 Engineering knowledge:** An ability to apply knowledge of mathematics, computing, science, engineering and technology. **PO2 Problem analysis**: An ability to define a problem and provide a systematic solution with the help of conducting experiments, analyzing the problem and interpreting the data.

	PO3 Design / Development of Solutions : An ability to design, implement, and evaluate a software or a software/hardware system, component, or process to meet desired needs within realistic constraints. **PO4 Conduct Investigations of Complex Problems**: An ability to identify, formulates, and provides systematic solutions to complex engineering/Technology problems. **PO5 Modern Tool Usage**: An ability to use the techniques, skills, and modern engineering technology tools, standard processes necessary for practice as a IT professional.

Subject: Invitation for an Expert Talk on "Cyber Security"

Dear Sir,

We are pleased to invite you to deliver an expert talk on "**Cyber Security**" under the MoU of Cyber Sanskar for the students of Information Technology Department at Jawahar Education Society's Institute of Technology, Management and Research, Nashik (JIT Nashik). This event is organized by department of Information Technology and is scheduled for 09th January 2024, at 02:00 p.m., on the occasion of **Data Privacy Day.**

JIT Nashik offers Bachelor's degrees in various engineering disciplines, including Civil, Mechanical, Electrical, Computer, Artificial Intelligence & Data Science, Information Technology, and Electronics & Computer Engineering.

Your insights and experience in the Cyber Security landscape would be invaluable to our students, who are eager to learn about the opportunities and challenges in this dynamic field.

Please let us know if you are available on the proposed date, or other convenient date and time.

Thank you for considering our invitation.

Report on Value Added Course on "HTML and CSS"

Event Title & Topic	Value added Course on HTML and CSS
Event Day & Date	27th Jan to 13th Feb 2025
Event Time & Duration	02.20 P.M. to 04.20 P.M, 30-Hrs
Resource Person Name & Designation	Ms. Priyanka Bagul, Full Stack Trainer
Agency/Organization of resource person	Profound Edutech, Nashik
Participants	All the students of third year of Information Technology, Jawahar Education Society's, Institute of Technology, Management and Research, Nashik
Name of staff coordinator	Ms. D. D. Survase
Name of Department who conducted Event	Department of Information Technology
Summary of Programme	Ms. Priyanka Bagul conducted the value added course on "HTML and CSS Workshop"which contains so many important topics like basics of C++, Facts, Features of C++, Comparison between C and C++, Object Oriented Programming, Classes and Objects, Software Development Process and many more which will helps to develop their programming skills
Objective of Programme	To understand concept of "C++" by considering following points: • To create awareness and educate students about Programming • To learn the basics of programming so that students can easily develop the program
Outcomes of Programme	**PO1 Engineering knowledge:** An ability to apply knowledge of mathematics, computing, science, engineering and technology. **PO2 Problem analysis** : An ability to define a problem and provide a systematic solution with the help of conducting experiments, analyzing the problem and interpreting the data.

	PO3 Design / Development of Solutions : An ability to design, implement, and evaluate a software or a software/hardware system, component, or process to meet desired needs within realistic constraints. **PO4 Conduct Investigations of Complex Problems** : An ability to identify, formulates, and provides systematic solutions to complex engineering/Technology problems. **PO5 Modern Tool Usage** : An ability to use the techniques, skills, and modern engineering technology tools, standard processes necessary for practice as a IT professional.

Subject: Letter of Appreciation

Dear Sir,

We would like to take this opportunity to express our heartfelt gratitude for accepting our invitation to conduct an expert talk on "Intellectual Property Rights" organized by the **Department of Information Technology** at Jawahar Education Society's Institute of Technology, Management and Research, Nashik, on 3rd February, 2025.

Your insights and expertise greatly enriched the session, providing our students with valuable guidance about Patent, Copyright and Trade Marks. We appreciate the time and effort you dedicated to this and your willingness to share your experiences with our community.

Thank you once again for contributing to our students' learning journey. We look forward to the possibility of collaborating with you in the future.

Subject: Invitation For Expert Session on "Cyber Security & Ethical Hacking"

Dear Sir,

We are pleased to invite you to conduct an expert session on "Cyber Security & Ethical Hacking" at Jawahar Education Society's, Institute of Technology, Management and Research, Nashik (JIT Nashik). This expert talk is organized by the **Department of Information Technology** on 11th April, 2025.

JIT Nashik offers Bachelor's degrees in various engineering disciplines, including Civil, Mechanical, Electrical, Computer, Artificial Intelligence & Data Science, Information Technology, and Electronics & Computer Engineering.

Your insights and experience in this filed would be invaluable to our students, who are eager to learn about Cyber Security & Ethical Hacking.

Please let us know if you are available on the proposed date, or other convenient date and time.

Thank you for considering our invitation.

Warm regards,

महोदय/महोदया,

आपल्या प्रस्तावास अनुसरून शैक्षणिक वर्ष २०२४-२०२५ या वर्षासाठी 'निर्भय कन्या अभियान' योजना राबविण्याबाबत विद्यापीठाकडे आपण पाठवलेला प्रस्ताव मान्य करण्यात येत आहे. सावित्रीबाई फुले पुणे विद्यापीठ, विद्यार्थी विकास मंडळ व आपले महाविद्यालय यांच्या संयुक्त विद्यमाने सदर योजना आपल्या महाविद्यालयात राबवावी. त्यानुसार या योजनेत समाविष्ट होणाऱ्या प्रत्येक महाविद्यालयाने स्वतंत्रपणे ही योजना राबवावी. महाविद्यालयातील तसेच समाजातील सर्व वयोगट, प्रवाह, स्तर, यातील महिलांना केंद्रस्थानी ठेऊन उपक्रमाचे आयोजन करावे. शैक्षणिक परिक्षेत्राशी संबंधित विद्यार्थिनी, शिक्षिका, पालक वर्गातील स्त्रियांचा विधी-न्याय व कायदा सुव्यवस्था यंत्रणेशी सुसंवाद घडविण्याचे हे अभियान एक माध्यम असावे.ही योजना आपल्या महाविद्यालयात स्वतंत्रपणे राबविताना आपल्या महाविद्यालयामधील जास्तीत जास्त विद्यार्थिनींना या योजनेत समाविष्ट करावे. अपवादात्मक स्थितीत आपल्या महाविद्यालयातून ५० पेक्षा कमी विद्यार्थिनी या योजनेत सहभागी होत असल्यास अशा महाविद्यालय/परिसंस्थांनी आयोजनापुर्वी संचालक, विद्यार्थी विकास मंडळ तसेच संबंधित जिल्हा समन्वयक यांचेशी विचारविनिमय करून योजनेची रूपरेषा निश्चित करावी. योजनेच्या अंमलबजावणी दरम्यान मार्गदर्शिकेत नमूद नसलेल्या कोणत्याही बाबीसंबंधी झालेल्या कार्यवाहीचा विचार केला जाणार नाही. (या योजनेत आपल्या महाविद्यालयांमधीलच जास्तीत जास्त विद्यार्थिनींना समाविष्ट करावे तथापि आवश्यकतेनुसार अन्य स्थानिक महिलांनादेखील आमंत्रित करता येऊ शकेल.)

सदर योजना राबविताना; महिला सबलीकरण, महिलांचा व्यक्तिमत्व विकास, स्त्रियांची प्रेरणास्थाने , स्त्रियांचे स्वास्थ्य, महिला उद्यमशीलता, स्त्री-पुरुष समानता, स्त्रियांसाठी समान संधी, लिंगभाव जागृती – सहसंवाद - सहवेदना, विवाहपूर्व समुपदेशन, महिलांचा सामाजिक व कौटुंबिक सुसंवाद. विद्यार्थिनी-पालक-शिक्षक परस्पर सहसंवाद, महिलांची परिस्थितीजन्य निर्णयक्षमता तसेच स्त्री हक्क-अधिकार- विषयक नियम - संहिता - कायदे.स्त्रियांचे घटनादत्त आणि संवैधानिक अधिकार, स्त्रियांविरुद्ध अयोग्य वर्तन, अन्याय, कुठल्याही प्रकारची हिंसा, मानसिक, शारीरिक, सामाजिक इत्यादी स्वरूपाचा आघात, अनुचित शेरेबाजी, अनुचित मागणी, अनुचित विनंती, तसेच इतर कोणत्याही प्रकारची शारीरिक, शाब्दिक, अशाब्दिक स्वरुपाची अस्वागतार्ह अथवा अस्विकारार्ह वागणूक तसेच स्त्रियांच्या आत्मसन्मानाला बाधा पोचेल अशा कोणत्याही स्वरूपाच्या वर्तनापासून अथवा अनुभवापासून संरक्षण आणि यांचा प्रतिकार व प्रतिबंध इत्यादी बिंदूंवर आधारित विषयाच्या स्वरूपानुसार व्याख्यान आणि / अथवा प्रशिक्षण सत्र - शिबीर आयोजित करावे. याकरिता नजीकच्या परिसरातून प्राधान्याने शक्यतो महिला पोलीस अधिकारी, विधिज्ञ, प्रशासकीय अधिकारी, डॉक्टर, प्रशिक्षित अथवा व्यावसायिक सामाजिक कार्यकर्ता, मानसशास्त्रज्ञ, समुपदेशक, पत्रकार यासारख्या तज्ञ मार्गदर्शकांना आमंत्रित करावे. या माध्यमातून विद्यार्थिनींना बौद्धिक, शारीरिक, मानसिक, भावनिक इत्यादी स्तरावर सक्षम बनविण्याच्या दृष्टीने हि योजना राबवावी. **सदर उपक्रमाचे आयोजन माहे फेब्रुवारी २०२५ पर्यंतच करणे अनिवार्य असून सदर योजना राबविण्यासाठी विद्यापीठ विद्यार्थी विकास मंडळाकडून खालील प्रमाणे अर्थसाहाय्य करण्यात येईल याची कृपया नोंद घ्यावी.**

सदर अभियानाचा अहवाल विद्यार्थी विकास मंडळाच्या लिंकवर www. unipune.ac.in – Students' Developement – BOD Online–Login – (User Name & Password) – Students Developement – Menu – योजना अहवाल – Add New – योजना निवडा) येथे ऑनलाईन पद्धतीने भरणे अनिवार्य आहे.
